```
C            Gsus                      Am             G
There is no love, sweeter than the love you pour on me
C            Gsus                     Am              G
There is no song, sweeter than the song you sing to me
C             Gsus                  Am   G
There is no place, that I would rather be
C                  Gsus               Am     G
Than here at your feet, laying down everything
```

Chorus:

```
        Am       Gsus
All to you, I surrender
   C/E             F
Everything, every part of me
        Am       Gsus
All to you, I surrender
 C/E               F         (HOLD F BACK TO VERSE)
All of my dreams, all of me

      Am     G   F   F   (REPEAT)
I surrender
```

Verse 2:
If worship's like perfume, I'll pour mine out on you
For there is none as deserving of my love like you
So take my hand and draw me into you
I want to be swept away, lost in love for you

Bridge:

```
F              G
No turning back, I've made up my mind
F             G      C/E            (REPEAT)
I'm giving all of my life this time

F                   G
Your love makes it worth it
                    F/A
Your love makes it worth it all
                    C/E
Your love makes it worth it all
```
