VERSE
   F          C/E
From the valley low

Where there is no love

Anyone like You

Is burning for You
      G    Am  F
In this love

VERSE2
I could search the world just to lose my way
I could find my hope on a happy day
But my greatest joy and my only aim
Is to love You, God
To smile and say

In this love heaven opens up
I'm in the clouds
I'm in the dust
In this joy heaven opens up
I'm in the fire
I'm in the flood
